

UCAN TRAINING PARTNERSHIP

Providing Training and Consultation Throughout the Chicagoland Area

Offering expert clinical training and consultation for your organization.

The UCAN Training Partnership is an opportunity to share our knowledge with others by providing training, consultation, workshops, and tailor-made learning initiatives that prepare and strengthen your staff.

Professional development opportunities are often difficult to provide to employees in many organizations. Demands for training continue to increase in a time when funding is sparse and work environments are more challenging.

ABOUT OUR PARTNERSHIP

- We collaborate with your agency to tailor training and consultation to your needs.
- We invite trainers to share our audience and facility.
- We facilitate shared training partnerships to help defer costs.

WHAT CAN WE DO FOR YOU?

- No cookie cutter classes – we develop classes with your specific goals and objectives in mind.

- We will work with you on providing the best learning solutions at the most affordable cost.
- UCAN offers competitive rates for excellent service. Our number one priority is to offer service to organizations whose mission is the betterment of children and families.
- Most trainings offer CEU's to your employees.

AREAS OF INTEREST

We offer learning experiences for your staff in a wide range of topics. Our classes adhere to adult learning principles and contain a solid mix of information, activity and practice. We invite agencies to take part in quality trainings at an affordable price.

- Parenting Skills
- Child Behavior
- Trauma and Exposure to Violence
- Family Violence
- Serving Crime Victims and Perpetrators
- Compassion Fatigue
- Child Welfare Programs
- And many, many more

PROGRAM AND CASE CONSULTATION

UCAN also offers a consultation program that is designed to meet the needs of your organization. Consultation services play a significant role in helping workers learn new skills around existing cases and program needs that lead to cutting edge services for your clients.

UCAN TRAINING PARTNERSHIP TEAM

Our trainers come from various backgrounds and bring years of experience working with the clinical assessment and treatment of children, families, teen parents as well as those who have experienced complex trauma in their lives. UCAN's team of professionals hold doctorate degrees, masters degrees and clinical licenses in the state of Illinois.

ABOUT UCAN

UCAN is an award-winning comprehensive social service agency serving children and families in the Chicago area for over a

century. UCAN is accredited by the Council on Accreditation and licensed by the Illinois Department Children & Family Services.
